FOURTH INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Fourth Information Disclosure Statement be entered and the document (D1) listed on the attached Form PTO-1449 be considered by the Examiner

and made of record. A copy of the listed document required by 37 C.F.R. § 1.98(a)(2) is enclosed for the convenience of the Examiner.

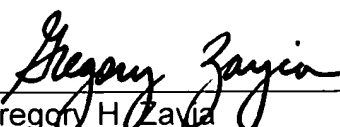

Applicants note that document D1 is an English translation of Japanese Patent Application Laid-Open Publication No. H5-346894, which was cited together with an English abstract in the Second Information Disclosure Statement filed on May 21, 2002.

In accordance with 37 C.F.R. § 1.97(g),(h), this Fourth Information Disclosure Statement is not to be construed as a representation that a search has been made and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

This Fourth Information Disclosure Statement is being filed prior to the receipt of the first Official Action reflecting an examination on the merits and hence is believed to be timely filed in accordance with 37 C.F.R. § 1.97(b). No fees are believed to be due in connection with the filing of this Fourth Information Disclosure Statement. However, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be deemed necessary for any reason relating to this communication, the Commissioner is hereby authorized to deduct the fees from Brinks Hofer Gilson & Lione Deposit Account No. 23-1925. A duplicate copy of this document is enclosed.

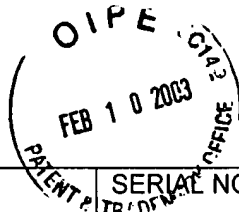

Applicants respectfully request that the listed document be made of record in the present case.

Respectfully submitted,

Gregory H. Zavala
